## Weekly Report

## Security Analysis Group

For the purposes of investigating matters involving the unauthorized disclosure of classified information to the press, a reorganization of Office of Security assets directed toward this endeavor took place with a Leak Task Force being assigned to the Security Analysis Group. Initially, three officers were assigned to this endeavor on a full-time basis and the group will be supplemented in the near future by an additional two employees. (C)

The Senate Select Committee on Intelligence (SSCI) requested and received specific Agency documents concerning the case of William P. Kampiles. The SSCI is reviewing this case along with the case of Christopher Boyce for the purposes of determining damage to the verification of SALT agreements. (C)
